# GENERAL HIRE INFORMATION

## Need to know...

1. Equipment supplied under Standard HAE conditions of hire to non-account customers (copy on request) and supplied under CPA conditions of hire to account customers (a copy will be sent upon the opening of an account).
2. Non-account customers collecting equipment must produce proof of identity (driving licence, utility bill, passport), and a credit card. We will swipe your card to pre-authorise your payment and take the final payment on the return of the equipment or in stages every week for longer hires. Cheques are not accepted.
3. Non-account customers cannot collect equipment with a purchase value in excess of £1000.
4. Transport can be arranged at a reasonable additional charge.
5. We will not collect any equipment until an off-hire number has first been obtained, via a phone call. In case of dispute, you must be able to quote your off-hire number or produce a termination note.
6. HIRE RATES are calculated on a 5 DAY week basis - Monday to Friday. Days over one week are calculated @ 1/5th of the weekly rate, (**\*indicates a minimum 1-Week hire charge.**) A weekend only hire is equivalent to 2 days.
7. Equipment hired for weekend use must be returned by 9am Monday, or an extra day will be charged.
8. We are open all-day MONDAY to FRIDAY 7.30am to 5.00pm and on SATURDAY 8am to midday.
9. The Hirer is responsible for routine maintenance and must ensure that the equipment is kept in a safe working condition.
10. The Hirer is responsible for insurance from the time of receiving the equipment to the time of return or collection.
11. A charge will be made for equipment returned damaged or excessively dirty.
12. Our staff will be happy to demonstrate equipment and advise on operating and safety procedures.
13. A full range of safety equipment is also available.
14. All prices are exclusive of V.A.T. and are subject to alteration without prior notice.
15. All mechanical equipment is cleaned and serviced after every hire and carries a 'checked' ticket. The hirer keeps part of this, and the other part is attached to the hire contract.
16. In the unlikely event of a problem, we offer a breakdown service during normal working hours (Monday to Friday). Punctures and refuelling are the customers' responsibility. RED DIESEL must NOT be put into any of our machines.
17. Insurance for loss or damage is the responsibility of the customer.

# ACCESS – SCISSOR LIFTS

Free Site Surveys

Ensure you get the right machine for the job with a FREE site survey for access machinery. Call the Access Department on 01452 526616 today or email [access@ermin.co.uk](mailto:access@ermin.co.uk)

## MOBILE SCISSOR LIFTS

Versatile machines allowing the completion of a variety of jobs.

### Variations include:

- Platform Heights from 3.2m to 12.0m
- Machine Widths from just 76cms to 1.80m
- Internal or external work
- Electric/Lithium-ion/Diesel/Bi-Energy
- Non-marking tyres
- Rough terrain tyres
- Stabilising Legs
- Extending Platforms

## PUSH AROUND VERTICAL (PAV)

The Youngman BoSS X3X Battery Push Around - with a platform height of 3.2m, a width of just 76cm and an impressive Safe Working Load of 240kg, this versatile lift can help out on level ground in a large number of situations such as facilities management, industrial cleaning, property maintenance, CCTV installations and more.

**IPAF TRAINING** - IPAF is the most recognised form of MEWP training in the UK. We can provide delegates with the knowledge and instruction necessary to be competent in the use of powered access.

Contact our Training Centre Today! 01452 526616 or [training@ermin.co.uk](mailto:training@ermin.co.uk)

# ACCESS – BOOM PLATFORMS

## ARTICULATING BOOM PLATFORMS

These machines give the extra reach required to work over and around obstacles.

### Variations include:

- Platform Heights from 8.9m to 19.3m
- Self-Propelled, Self-Drive, Tracked, Trailer Mounted
- Internal or external work
- Electric/Diesel/Petrol/Bi-Energy
- Non-marking tyres/Turf tyres/Rough terrain tyres
- Narrow width
- Stabilising Legs

Breaker Attachment c/w Chisel	£82.00	£123.00	£164.00	£205.00	£205.00	£41.00
Post Hole Borer Attachment 6", 9", 12", 15" & 24" Augers available	£82.00	£123.00	£164.00	£205.00	£205.00	£41.00

**Breakers & Augers are only available for use with Ermin machines. Non-Ermin Attachments MUST NOT be fitted to our machines.**

We hire various makes and models across our entire range, ensuring our fleet of excavators can cater for many individual needs.

## Variations Include:

Expanding tracks on ¾ & 1.5 ton machines allow for narrow access - some ¾ ton machines down to just 68cms.

Breaker attachments to fit excavators from 1.5 ton right up to 8 ton.

Post Hole Borer Attachments to fit 1.5 & 3 ton excavators.

## Digging depths up to:

¾ ton - 1.71m  
1.5 ton - 2.41m  
1.9 ton - 2.57m  
3 ton - 2.77m  
5 ton - 3.99m  
8 ton - 4.54m

## Machine widths as narrow as:

¾ ton - 68cm  
1.5 ton - 97cm  
1.9 ton - 1.00m  
3 ton - 1.45m  
5 ton - 1.96m  
8 ton - 2.2m

All our excavators are rubber tracked ensuring less impact on a variety of surfaces. Supplied with an assortment of digging buckets, as required.

Oils & lubricants are stocked for sale in all branches.

As an approved training centre, we offer a wide range of training courses from our Head Office at Bristol Road, Gloucester.

## PASMA Tower Training

The Work at Height Regulations 2005 require that anyone using towers should be competent.

As an Approved PASMA Training Provider, we will ensure your workers are competent to erect, dismantle and alter tower scaffold.

**Approved Training Centre**

## IPAF Training

IPAF is the most recognised form of MEWP training in the UK. We can provide delegates with the knowledge and instruction necessary to be competent in the use of powered access.

**We can also offer the following training:**

- IPAF Competent Assessed Persons (CAP)
- IOSH - Managing Safely and Working Safely
- Abrasive Wheel
- Lanyard & Harness
- Health & Safety
- Asbestos Awareness
- Construction Equipment

For all your training requirements, or if you have any questions regarding training of any type, contact our team on 01452 526616 or email: [training@ermin.co.uk](mailto:training@ermin.co.uk) and they will be ready to help.

## FACE FIT TESTING

### FACE FIT TESTING

Anyone required to wear any type of Respiratory Protective Equipment in the workplace must be face fit tested to ensure correct fitting and protection against substances potentially hazardous to health.

**Don't delay! Call today!**
